The report to the Quarterly Meeting.

1st By all the answers it appears that our Meetings on first days are attended by a considerable number, the answers mentions them to be satisfactory to be much neglected. and two others make the same remark concerning three on the week day. The Hour nearly observed. the one of them observes a more strict attendance thereto would be useful. Mention is made that Drawings appears in our Meeting

2d Love and Unity subsist in a good degree and we believe there is a care in many minds to discourage the evils mentioned in the Queries by different appears amongst us.

3d Care is enjoyned respecting the disciplines, the a more steady care to at times thought would be useful

Friends appointed to visit Lawrence Stockton have performed that service but had not the satisfaction they desired. Their care is still continued.

The Certificate requested for Ann Hunter is still deferred and the same friends who were appointed to confer with them friends in her care, are now appointed to visit her.

Friends who were appointed to attend the marriage of Samuel Haines and Mary Stevenson jun. report it to have been orderly accomplished.

Robert Thomas and Mary Ellis appeared here the second time and entered their intentions of marriage. No objection appearing they were left at liberty to accomplish the same, Grace Buchanan and Hannah Pryor are appointed to attend thereon.

Rhoda Willis produced a certificate from the Monthly Meeting at Evesham which was read and received.

The two certificates signed last month for Rebecca and Sarah Gibbs were drawn by mistake. Nevertheless as Rebecca is going to Woodbury to live and requested one then, but with some alterations it to be sent thither and Friends to be joined with friends there as she is likely to continue within the verge of this Meeting.

Our beloved friend Lydia Hopkins being returned produced certificates giving satisfactory accounts of her religious labours and also of her conduct corresponding therewith. one of which mentions their not dwelling but the strive the grace of those who remember their Creator in the days of their youth. all of which were read and acceptably received by us.

Hannah Silk request a Certificate of removal. Ann Lee and Mary Hopkins are appointed to enquire concerning her.

Friends appointed to visit Mary Randolph have fulfilled their appointment, giving little satisfaction with her. it is the united sense of this Meeting to testify against her and discourage her being of our religious society

Mary Stevenson and Beulah Ridgway are to inform her thereof.
